OPENING

QUESTIONS, 2062 STUDENTS WONDERED IF THEIR UNIQUENESS AND DISTINCT PERSONALITY WOULD LEAVE A MARK AT MHS IN THE 94-95 SCHOOL YEAR. THIS WAS ANSWERED THROUGHOUT THE YEAR WITH SPECIFIC LANCER ACTIVITIES. THE DIVERSE LANCER ACTIVITIES PROVIDED THEM WITH MANY EXCITING WAYS TO SPEND THE YEAR. TIME WAS SPENT FINDING OUR OWN IDENTITIES. THIS WAS ACCOMPLISHED WITH THINGS SUCH AS SPORTS, CLUBS, AND ACADEMICS. THE YEAR STARTED OUT WITH A BIG WIN OVER JAMES RIVER AT THE ANNUAL HOMECOMING GAME. TRUE LANCER SPIRIT WAS SHOWN AT THE PEP RALLIES. THE FRESHMAN WISHED THE SCHOOL WOULD STOP SEEMING SO BIG. THE SOPHOMORES WAITED TO RECEIVE THEIR DRIVERS' LICENSES. JUNIORS, NOW UPPER CLASSMEN, ANTICIPATED THEIR CLASS RINGS. ALL OF THIS WHILE THE SENIOR CLASS WONDERED IF THEY WOULD EVER BE FINISHED. CHRISTMAS CAME QUICKLY AND WITH IT CAME HELPING OUT THOSE LESS FORTUNATE. THEN IT WAS TIME FOR THE DREADED EXAMS. AM I EXEMPT? PREPARATIONS WERE MADE FOR PROM. WHO WILL I ASK? HOW MUCH WAS THAT DRESS AGAIN? WITH GRADUATION QUICKLY APPROACHING, PLANS WERE MADE, AND SOON IT WAS TIME TO SAY GOODBYE. WILL I EVER SEE YOU AGAIN? CONGRATULATIONS TO THE CLASS OF 1995!

IN THE 94-95 YEAR WITH 611 FRESHMAN, 575 SOPHOMORES, 452 JUNIORS, 370 SENIORS, AND 34 GRADE 13, WE LEARNED WHO WE REALLY WERE!

WHAT'S HAPPENING?

LANCER LIFE

The life of each Lancer involved spirit, enthusiasm, and opportunity. Homecoming events, such as the game and dance, started the year off with a spark. Despite the rainy conditions, the Lancers were victorious against the new James River High School. This monumental win was soon followed by yet another triumph for the Senior Lancer Powderpuff Team. Many of our sports teams followed the senior girls' lead and performed extremely well this year. Victories were many as Varsity Wrestling went to regionals this year, and Varsity Girls' Basketball competed at semi-finals. Sophomores anticipated receiving their drivers' licenses, as well as ordering their class rings. During May, juniors and seniors anticipated their ``Imagine'' prom. The end of the year brought celebrations in the seniors' honor, including the senior assembly, and senior banquet. Graduation ended yet another successful, spirited school year at Manchester High.

IMAGINE . . .

a complete transformation of the Commons into a mystical wonderland. After much preparation, the Junior class presented the Seniors with the annual prom festivities. An array of periwinkle and white embraced the guests as they danced to the grooves provided by DJ Jimmy Oliver. An anxious student body anticipated the crowning of the 1995 Prom Queen and King. Robyn Abernathy and Richard ``Drew'' Lindsey took center stage and accepted the ``royal'' honor of leading the Lancers in a dance. For those who desired a quiet moment with that special someone, the courtyard provided a sanctity complete with a fountain and a blanket of stars. As the evening came to a close, the crowd dissipated and many adjourned to the Wild West after prom party. Who would have imagined....

Mock Weddings . . . Spring is in the Air!

Is this for real? Until death do us part? The annual Manchester High School Mock Wedding was sponsored by the Family Living classes. There were panicky grooms and anxious brides waiting for their turn to walk down the aisle to meet the Reverend. The Family Living classes of Ms. Johnson and Mrs. Tortorella pulled it off with the assistance of several students who participated. The four ceremonies were held at the United Methodist Church of Hopewell. Among the invited were family, friends, and fellow members of the community.

S.C.A.
Assembly

Manchester's distinguished students were praised by faculty and students at the 1995 S.C.A. awards assembly. Academic letters and stars were presented to students who made honor roll for three marking periods. S.C.A. Monograms were awarded to students who accumulated 45 or more points. This year's "Teacher of the Year Award" was given to Mrs. Thorpe. She has exceptional love for school, her students and her extra activities, including community service projects. Foreign language medals were given to an outstanding student in each language and new members to the different foreign language honor societies were announced. This year is the first year Manchester has had a German National Honor Society. All summer achievements were announced including; Governor's School, Boys' and Girls' State, and Foreign Language Academies. Model County Government and Model U.N. participants were also acknowledged. Congratulations to all students who received awards and acknowledgements.

Mr. Ellick congratulates students receiving academic letters.

Soc Hop

The annual 50's and 60's soc hop was held in the Commons on May 25. Poodle skirts and hippie attire were among the sights. People moved to the grooves of "The Jackson Five, The Grateful Dead, Bob Dylan, and The Mamas and the Papas." The Social Studies Department, who sponsored the event, raised money at the door by selling refreshments. Love circles and disco lines were infectious to all those around. A good time was had by all.

Scott Osterbind, Shay Jeska, Sheree Lafon, Kristen Johansen, and Dawn Smith push the bad vibes away.

Friends form a love circle while Kristen Johansen shows her hippie style.

Mrs. Taylor and Melissa Carr prove that everyone can have a good at the Soc Hop.

Senior vs Faculty Basketball Game

Mark Englisby laughs with the female members of the senior team before the start of the games.

For the first time, the annual Senior versus Faculty game was held during school hours. Everyone gathered in the gymnasium to view the excitement. The audience watched in amusement as Mr. Jones, the soccer coach, kicked the ball instead of dribbling. It was humorous to see the faculty get out of their suits and dresses and into shorts (hopefully ones that fit) and tennis shoes. The interaction between the teachers and students proved that we all have something in common. Not only was it competitive, but it also proved to be an excellent fundraiser. All of the money earned went toward three major things : Student Appropriation Funds, the Athletic Department, and DECA. This year's Senior vs. Faculty game proved to be a fun and exciting change of pace.

-Amber M. Augostini said if she isn't still in school she sees herself working with animals somewhere.

If you could change one thing about Manchester what would it be?

-Vionni M. Herrera said she would change the sound of the fire bell.

Who do you think will win the Senior-Faculty basketball game?

-Melissa Carr said of course the seniors.

Which class do you think is the most school spirited?

HOMECOMING

Twins, crazy hats, and movie stars walked the halls of Manchester High during spirit week of 1994. Some would say they saw the same person in different places at the same time. Others would say they saw Arnold Schwarzenegger, and still others said they actually had a flashback to the 70's. They were not seeing things because a lot of students participated in spirit week.

On Monday there was two of just about everybody, and on Tuesday hats were allowed in the building. The rules were just forgotten. Wednesday made people just want to get down and disco; there were leather coats, bell-bottoms, hip-huggers, platform shoes, afros, and some really psychedelic colors in the halls. Thursday was like being on a real Hollywood movie set. Alice from Wonderland was there chitchatting with Dorothy from "The Wizard of Oz." Morticia from "The Addams Family" was walking around, and believe it or not, Nancy Kerrigan and Tonya Harding were at each other's throats again. On Friday the halls and the students were clad in orange and blue. As for Friday evening, the game went well. It was wet, but it did not dampen Lancer spirit. The Lancers totally demolished the new James River Football Team 41-7.

PEOPLE

WHO'S THAT ?

Who are the people of Manchester High School? That's a difficult question to answer because as one soon realizes there are a lot of people in this school. And with those people comes the hope of being popular and known in school. What does it take to be popular? Is it who you are? Maybe it's who you know?

If you think about it for a minute, who are the popular people in this school? It seems impossible to know everyone in the school because this school is huge! With 2200 students enrolled this school year and the rumors of trailers being put during the '95-'96 school year, it is really hard to say "hi" to everyone inbetween classes. But anyway, the point is that it's not about who knows you or who you know; it's about who you are. So, who are you?

Jocelyn Snead and Lori Bradley discuss one of several topics given to them in English class by Miss Farr.

Brian Harding, Jimmy Byerly, Eric Sharp, and Kris Weart perform their own version of Chaucer's "Canterbury Tales."

Kim Socha poses for the camera while writing Valentine's day cards.

What does the Student Body think of itself?

The jubilant John Staples flies through the air in his English class.

"Times will change and friends will change, but remember the good years." -Suzzie Alvey, Senior

"I really don't know. . ." -Charla Coleman, Senior

"The people in this school are very different and can carry their own style undenounced (usually anyway)" -Ryan Parrish, Junior

"I guess you could say that we're really diverse." -John Tucker, Sophomore

SENIORS

What's Next?

What did the senior class have on their plate for '95? Five-year senior sponsor, Mrs. Tompkins, and class President Charla Coleman led the Senior Class of '95 through a busy year of powder puff football, "Senior Santa", Senior T-shirts, and much more. For many seniors, the realization of graduation set in when ordering caps, gowns, and announcements. The 1995 Senior class distinguished itself by its wardrobe as well as their spirit when they sported their T-shirts with the original senior design, a prize coveted by many underclassmen. Senior spirit was displayed once again with a rugged game of powder puff football, where the senior ladies defeated junior girls for the winning title. During the holiday season, everyone was Santa in the Senior Santa Project, when clothing, food and toys were donated to spread Christmas cheer to neighboring families in the community. The seniors ended the year with the traditional Senior Breakfast, and Senior Assembly. Robyn Abernathy — vice president, Sherri McCracken — secretary, Sara Thomas — treasurer, and Brian Harding — historian handed down their senior leadership roles to the rising senior officers. The senior celebration continued with a banquet on the Anabelle Lee. The senior year ended on a memorable note at the Richmond Coliseum, where the class of '95 moved their tassels from left to right, commemorating the end of their high school journey, finally becoming the class of 1995.

Graduation and Senior Activities

The annual Senior breakfast was held in the commons with an array of foods. Acknowledgements and awards were then given at the Senior Assembly. Drew Lindsey was named Outstanding Graduate.

Graduation was held June 16th, at the Richmond Coliseum. The audience, composed of mostly teary-eyed parents and close friends, watched as the graduating class received their diplomas and honors. Ted Jones, commencement speaker, gave a speech encouraging the students to be a teacher in all that they do, so that younger generations can learn from them. The class Valedictorian, Kevin Naran, left the simple message, "always do your best." With a flick of the tassle and a toss of the cap, the class of 1995 said farewell.

Speaker, Ted Jones, entices the audience with an inspirational message.

POWDERPUFF

Is it the Game of a Lifetime?

In the annual game of womanly power, the seniors toppled the juniors 21-to-7. The Powder Puff teams were led by new coaches on both sides. Seniors and juniors waited in anticipation after their first scheduled bout was cancelled due to rain. The new cheerleaders reacted with panic when rain ruined their make-up. The rematch was scheduled a week later.

Junior, Tara E. Mounts, scored the only goal for the junior team with help from strong plays executed by her fellow teammates. Senior goals scored by Kristie D. Kimple and Laura K. Farmer helped the seniors achieve their goal of winning. An extremely large amount of time, effort, and practice went into both teams. The little ladies played with all their might to show the guys "who is who."

JUNIORS

Are We There Yet?

One of the many highlights during the year for juniors was the much anticipated ring ceremony. Junior class officers Sarah L. Malone, Christi M. Maxie, Heather C. Coburn, and Tara E. Mounts presented rings to those who participated. Many did not realize how hard the job of finding 96 people to turn their rings would be. They soon found out. After receiving their long-awaited rings, juniors left the ceremony with yet another priceless addition to their high school memories. Juniors participated in spirit week with enthusiasm, marking their third year as Lancers. As Sarah L. Malone, Junior class president said, "The junior class' spirit during the pep rally really showed our class unity!" Escorted by their parents, Princesses Ashley M. Davenport and Kelly N. Easterling, and Princes Peyton N. Owens and Keith W. Condrey stood in the drenching half-time downpour. Because of the hindering rain, the parade of class and club floats displaying the theme, "When You Wish Upon a Star," was held at the last football game of the season. Despite the cart's engine catching on fire, the junior's proved they were a class that "could boldly go where no class had gone before," by taking first place in the class competition.

Raising money for the prom led the junior class officers to the question of where to hold prom. Requests to hold prom somewhere other than the commons proved to be of utmost importance to the officers this year. The annual fundraiser of selling value checks marked yet another successful method of raising money for the junior class.

Juniors show off their 70's style.

Junior class officers are : President Sarah L. Malone; Vice President Christi M. Maxie; Treasurer Tara E. Mounts; and Secretary Heather C. Coburn.

Junior Year Blues

When 50 juniors were asked what they are most anticipating about senior year this is what they had to say

1. **Graduation** — "School once was a nightmare, now it is in my most pleasant dreams."
2. **Senior Privileges** — "Those expansive three minutes really give you time to beat the rush to the parking lot."
3. **Closer Parking** — "Walking up that hill sure was building my muscles."
4. **Senior Prom** — "It's our night!"
5. **Exam Exemptions** — "More time to sleep in."

SOPHOMORES

WHAT'S AROUND THE CORNER?

What comes next for the class of 1997? The chance to be upperclassmen, junior/senior powder puff and prom, and the opportunity to drive to school. The sophomore class sponsored such events as a car wash to fund the spring prom of 1996, winning the most spirited door prize at the 1994 homecoming, and sponsoring a spirit day.

The sophomore class officers for 1994-1995 were; Andrea Teten, President, Megan Hall, Vice President, Cameron Miller, Secretary, Sarah Krystofik, Treasurer. The officers had the important job of working with their class sponsors, Ms. Murray and Ms. Wyatt, on fundraising projects and spirit ideas.

See the sophomore class officers Andra Teten, president, Megan Hall, vice president, Cameron Miller, secretary, Sarah Krysztofik, treasurer, take a break out of their busy schedules to clown around.

Sophomores show undying spirit by putting their hands together and showing their loyalty to the Lancer

FRESHMEN

Huh???

1994 starts a new and exhilarating school year for all Manchester students, especially freshmen. The new arrivals could be seen wandering throughout the halls searching for classes and asking for directions. These novices of the 1994-1995 freshmen class, led by President Andy Ballard, Vice President Jason Glenn, Secretary Shanell Jefferson, and Treasurer Annie Coy had a very successful year conducting an ``adopt-a-family program'' within their class and holding a fundraiser to support future class functions in the years to come. They are once again the little fish in a big pond. The transition from junior high to high school can be difficult as most would agree; however, the freshmen class proved to overcome this obstacle with determination. New teachers, a new school and the incredibly vast amounts of people may make some a bit uneasy. The freshmen have had to adjust to all of this as well as the higher expectations that were put upon them. STARS, the student coordinated tutor program, enables the freshmen to deal with the overwhelming transition from middle school to high school. Freshmen English teacher Mrs. Walmsley says, ``the many activities and the impressive size of the school create an exciting atmosphere for the new freshman class.'' When all the new and different things appear too challenging, the Manchester freshman class may find their place in the diverse opportunities which Manchester has to offer them. Have you found your niche?

FACULTY!

IS IT REALLY AN EMERGENCY?

W-H-A-T E-V-E-R

. . Mr. Goss' favorite word, right? Not quite. This popular catch phrase is a pet peeve of MHS's Teacher of the Year. Wisecracks, witty humor, and wisdom abound in Mr. Goss' classes. Not only does Goss devote his time to teaching, but his activities outside of school keep him busy. For the past fifteen years he has studied martial arts and worked out on a regular basis. When time permits, Goss likes to relax and "clear his head."

As a student at East Texas State University, Goss made a decision that would affect both him and his students. A professor inspired Mr. Goss to be a teacher. In 1968 he began teaching as a graduate student, and in 1971 Goss took his first full-time teaching position.

When asked what the key to successful teaching is, Goss said, " Keep a sense of humor." These words of advice seem to work well for Goss. His students admire his ability to make them laugh, but also know when to get down to business.

"One day I saw an old lady fall. I found it amusing but then thought if I was an ant, and she had fallen on me, it would not be so funny."-Robert Small

Manchester's very own Teacher of the Year, Mr. Goss, teaches his class with wit and wisdom.

All HEADLINES ON PG. 92-93 ARE NOT REAL!

What Happened?

In order to be able to cover all of the news that has happened this past year, we would have to have another book. Instead, a decision was made to take bits and pieces of headlines and let you, the reader, remember the rest.

— A Republican Congress, for the first time in forty (40) years, was a major headline during the '94-95 school year. Every Social Studies teacher made a point of adding this to their curriculum.

— Virginia Senator, Chuck Robb (Democrat), beat Republican senator hopeful, Oliver North in a political battle that caught national attention.

— Strong storms in Chesterfield devastated residents as homes and valuables were lost. The hardest hit areas were Deer Run and Hunter's Landing.

-Christopher Goins of Richmond was brought up on five murder counts for allegedly murdering victims of Gilpin Court. In less than two hours he was found guilty.

— Actor, Christopher Reeves, suffered massive upper spinal injuries in Culpepper County during a horseback riding competition.

— Governor Allen went on trip to Europe to persuade businesses to come to Virginia.

— Fire at Old Buckingham was one of the worst fires in Chesterfield's history, leaving over 100 residents homeless.

— Richmond, Virginia has the number two murder per capita rate in the country; New Orleans, Louisiana is number one.

— After several muslim groups complained, the Mosque, home of the Richmond Ballet and Symphony, will have its name changed.

— A rash of abortion clinic violence was brought to light after a a double homicide in Brookline, Mass., involving two clinic workers. The man accused of the murders, Jon Salvi, then fled to Norfolk, Virginia and was arrested outside of a clinic there after another attempted shooting.

The '94-'95 school year brought a new type of music to an audience that would not necessarily be exposed. INDIE-ROCK, new wave punk, and new styles of rap were all big parts of the music scene. Music has influenced clothes, hairstyles, body-piercing, and has brought people closer together (in the pit). Clothing has become retro, style is going from one extreme to the other. People, in general, are going their own way.

Style, news, music, all of these aspects have become part of Manchester High School's "Yearly Grind."

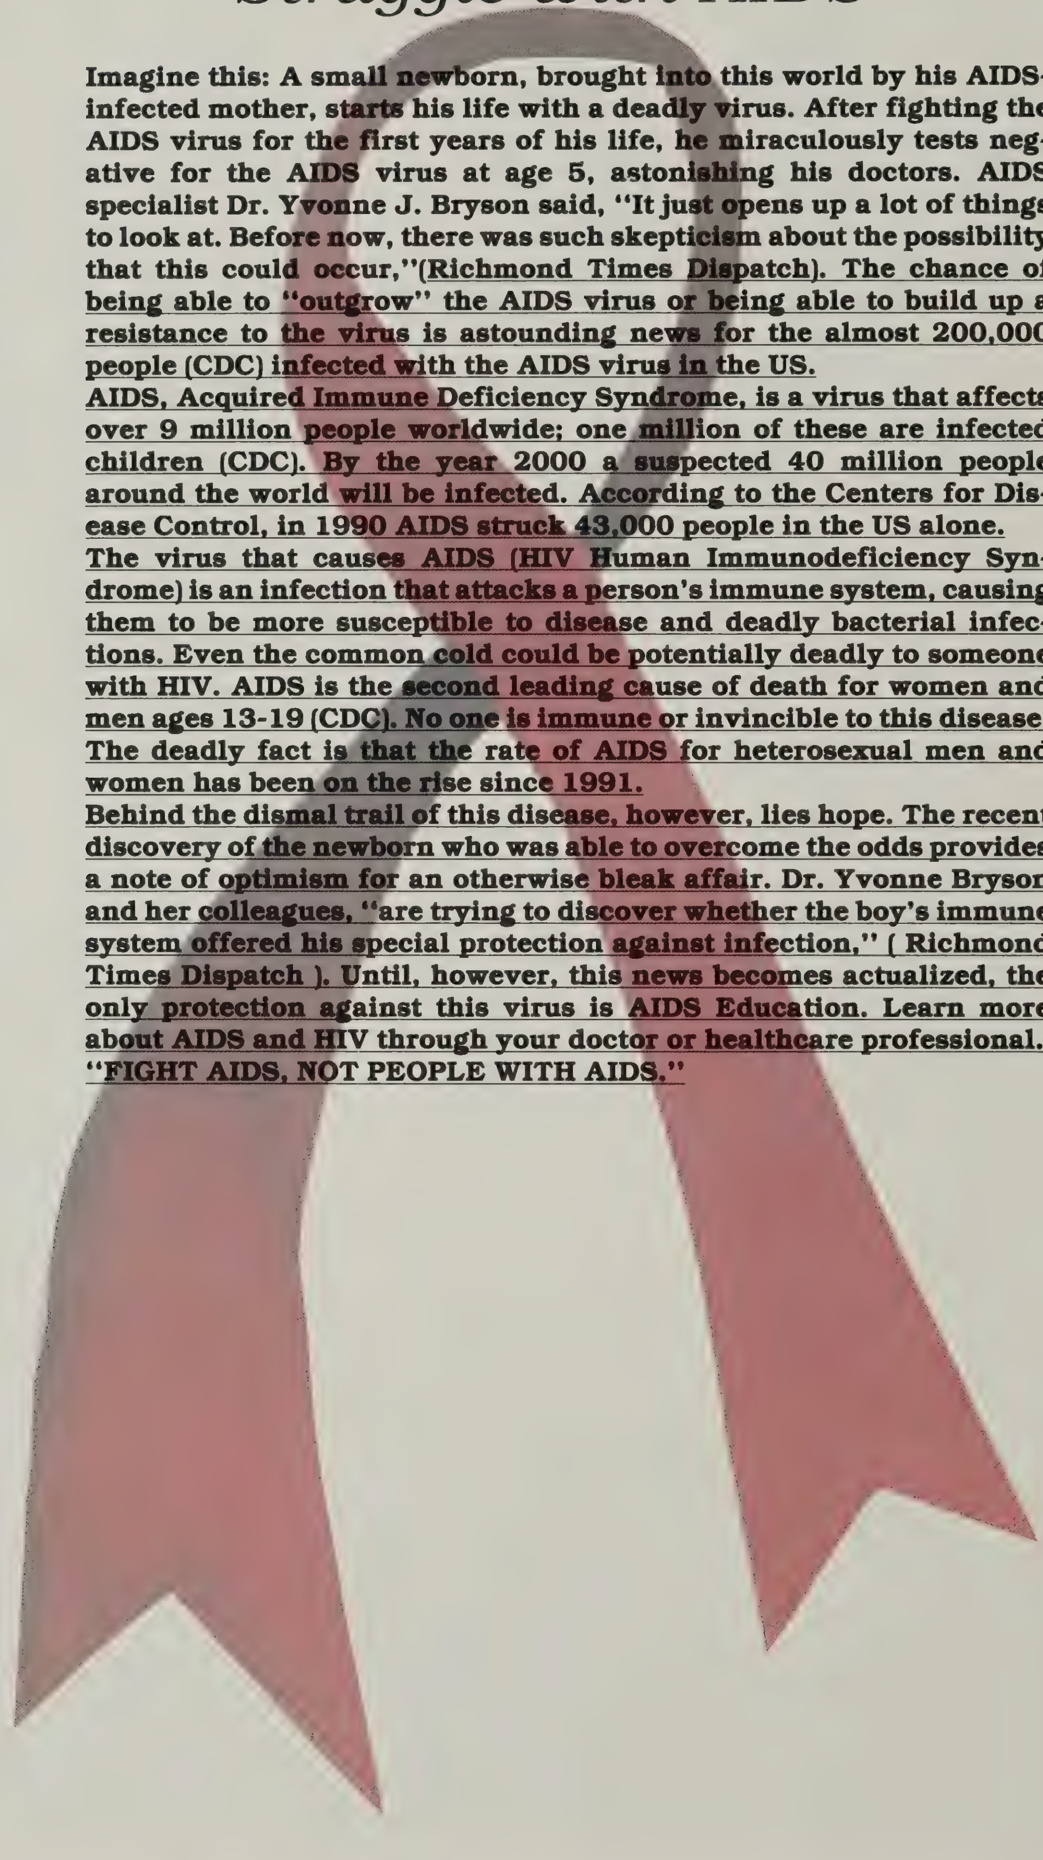
Struggle with AIDS



Imagine this: A small newborn, brought into this world by his AIDS-infected mother, starts his life with a deadly virus. After fighting the AIDS virus for the first years of his life, he miraculously tests negative for the AIDS virus at age 5, astonishing his doctors. AIDS specialist Dr. Yvonne J. Bryson said, "It just opens up a lot of things to look at. Before now, there was such skepticism about the possibility that this could occur,"(Richmond Times Dispatch). The chance of being able to "outgrow" the AIDS virus or being able to build up a resistance to the virus is astounding news for the almost 200,000 people (CDC) infected with the AIDS virus in the US.

AIDS, Acquired Immune Deficiency Syndrome, is a virus that affects over 9 million people worldwide; one million of these are infected children (CDC). By the year 2000 a suspected 40 million people around the world will be infected. According to the Centers for Disease Control, in 1990 AIDS struck 43,000 people in the US alone.

The virus that causes AIDS (HIV Human Immunodeficiency Syndrome) is an infection that attacks a person's immune system, causing them to be more susceptible to disease and deadly bacterial infections. Even the common cold could be potentially deadly to someone with HIV. AIDS is the second leading cause of death for women and men ages 13-19 (CDC). No one is immune or invincible to this disease. The deadly fact is that the rate of AIDS for heterosexual men and women has been on the rise since 1991.

Behind the dismal trail of this disease, however, lies hope. The recent discovery of the newborn who was able to overcome the odds provides a note of optimism for an otherwise bleak affair. Dr. Yvonne Bryson and her colleagues, "are trying to discover whether the boy's immune system offered his special protection against infection," (Richmond Times Dispatch). Until, however, this news becomes actualized, the only protection against this virus is AIDS Education. Learn more about AIDS and HIV through your doctor or healthcare professional. "FIGHT AIDS, NOT PEOPLE WITH AIDS."

VOLLEYBALL

What does it take to have the best season ever? Both the boys' and girls' energetic attitudes and spirit toward volleyball made this season the most memorable ever.

The leadership of Christi M. Maxie, Ruth E. McDorman, Katy L. Benner, and Jenny E. Rawlings brought the Lady Lancers to victory over Midlothian for the first time. They did not just beat Midlothian once though — they beat them twice.

The boys proved themselves to be victorious Lancers, being the only team in the district that could overcome the awesome power of Clover Hill. Along with the victories, there also came pain. Coach Taylor of the boys' varsity team noted, "It seemed like there was always someone out with a broken wrist or some other injury." Despite these injuries, the boys still placed an outstanding third in the district.

As Chris J. Davis bumps the ball, his teammates position themselves fo an offensive play during practice.

With a swift and powerful blow Jason F. Musick spikes the ball hard onto the gymnasium floor.

Mark E. Englisby dives hard for the dig during practice in preparation for a big game.

lark Englisby sets the ball up for his team-
nates to smash over the net at practice.

FOOTBALL

Varsity Football

The Varsity Football team for the Lancers in the 1994-95 season started the year off with a crutch. The Lancer's lost two senior starters in the first game, Chad Long and Melvin Williams. The injuries were far more than expected. Williams was lost for his senior year with a broken knee, and although Long's injury was not as serious, he was only out for a short time. The Lancer's pride is large although the numbers on the team are not. This season has been full of surprises. Starting sophomore quarterback, Todd L. Holt, tied and exceeded school records plus his own records. Every player has merit and added enormous effort to the team. Ryan Krausse, Antione Tines, and James Harris all participated on the Varsity team for the first time this season. They have added a great deal of talent to the Lancer pride. Under the direction of Coach Roger Cassem, the Varsity Lancers ended their season with a 4-6 record.

The J.V. Crunch

The number size was a dilemma here although the spirit was no problem at all. They all had a strong will and determination to make any and every effort to get to the Varsity team next year. They can, will, and did do it.

Freshmen

Freshmen can expect to learn on the freshmen football team and are expected to give no less. The new ones dread to hear any kind of this phrase. They came out in hopes of J.V., but just to make it to the field is an obstacle many overcame. The freshmen are nervous, but with a pair of pads and a helmet, their true strength shows. Watch the LANCER PRIDE SHINE ON!!!

CROSS COUNTRY

The boys' and girls' cross country team pushed for excellence this year. They met excellence by the girls capturing second and the boys obtaining fourth in the Regionals. The team achieved this goal by running approximately sixty miles a week. Unity was on the minds of the members of the cross country team. Coach Sours wrapped up the season by simply saying, "WORK, WORK, WORK!"

GOLF

What made the golf team improve this year? Under the leadership of MVP Robert B. Barbour, the Manchester Golf Team's determination aided their assault against opposing teams. "The team has been steadily improving because of the new players from Birkdale Country Club," Coach Smith said. The golf team anticipates a winning season next year.

FIELD HOCKEY

The varsity and junior varsity field hockey teams took their playing skills to the top this year. The varsity team, led by Coach Wallmeyer, played to an overall record of 5-7-1 and ended up tied for 3rd in the district before losing to a tough number one Midlothian team in the district tournament. Erin Cowardin and Mary Overbaugh achieved spot on the 1st All District and 2nd All Regional teams. Sara Thomas, Kristen Johansen, and April Vestal, made the 2nd All District team. Angie Staples and Ashley Hutchinson received Honorable Mention. The junior varsity team, under new direction with Coach White, experienced a disappointing 1-5-6- season. They played tough with great players such as this year's MVP, Joy Madison, who was announced at this year's fall banquet. Next year the team will be renewed with vigor and determination.

GIRLS' TENNIS

This year's girls' tennis team experienced much growth. Veteran team members helped the many new members to work to improve their overall team technique. One of the key players on the girls' tennis team, Carol A. Gregory, along with her doubles partner, Ashley B. Abercrombie, led the Lady Lancers to place sixth in district play. This competitive attitude enabled the new Lady Lancers to defeat their toughest opponent this year, L. C. Bird, with a close score of 5-4. Coach Katsarelis recapped the year by saying "This is a rebuilding for us . . . a lot of young players are on the team, and we should be better next year."

The boys' tennis team finished 1995 with a season record of 4-8. They managed to triumph over a powerful Huguenot team despite many mental obstacles. Playing strategically at number six, Jason Benfer was the team's key defensive player. Offensive player Gary Wood played at number two on the team. Many of the players possessed talents to help psyche-out their opponents, such as a certain East Coast Karate title and a swim cap to block out the sound of winning serves. First year coach, Tony Katsarelis, started a new tradition of BB-Q's after victorious matches.

Thank-You Nick for your contribution to YB '95'.

BOYS' BASKETBALL

When you have a new coach and you add a group of new faces on the Varsity team you have a season full of surprises. From a strong leadership of seniors, David B. Coacker, Kristopher R. Weart, along with two brand new faces, Frank A.Davis, and Daniel G. Krapf. The 1994-95 season was hard to predict. With an overall of 11-11, district record of 8-6, and 4th place in the district, these young men played their hearts out for Lancer pride. Coach McCoull came in with new ideas and goals for the way he wanted the team to go. Both the team and the coach had big shoes to fill from last season, and did it well.

The younger men of the J.V. and 9th grade proved their feat. J.V. had a record of 10-3 district to take 1st in district, but an overall of 14-3. The meager freshmen team strutted their stuff up and down the floor with a flabbergasting season of 8-0 for district. With an overall record of 14-0, to get 1st place for the season. See, they are not like Mike, they cannot fly, but they were on cloud nine all the way.

GIRLS' BASKETBALL

The 1994-95 Lady Lancers started their season with a grand entrance by defeating Meadowbrook 54 to 51, their season opener. They have the ability to work well together which helps the team. One downfall is the loss of a starting senior member from last year.

They proved they can do it by going to final four at regionals, 3rd in district and an overall record of 18-7. With key shooter Christie Maxie, and Nedria Cannon. Defensive player and rebounder Nedria Cannon helped lead the way. The younger Junior Varsity Lady Lancers brilliantly shined with an overall record of 18-0. Next year they are going to stop traffic. They stopped for no one.

WRESTLING

The Manchester 1995 Wrestlers achieved many goals throughout this year. The overall record was 13-5. For the first time ever, members made it to the Regional Duals as a team. In the regular district season the team placed second, third in the district tournament, and they held a thirteenth place position in the region. Various weight classes ranging from 103-171 to the heavyweight class placed in the top 4 positions. One outstanding wrestler from the 112lb. class, Senior James E. Byerly, placed sixth in the state. His accomplishments in wrestling helped Manchester stay a top contender in our district. All team members contributed a great deal this year. It's just man vs.man on the mat, and a pin is all that is on his mind.

A third place finish in the highly competitive Dominion District earned the Lancers a spot in the district tournament. The team made great strides this year with the biggest being team defense. Todd Holt (Center Field) and Ryan Felker (Shortstop) led the Lancers with superb glove work. Keith Condrey, B.J. Johns, and Mike Green paved the way for many close games with strong performances from the pitching mound. The offensive performance led by Britton Marable was an example of the many scoring treats the team possessed in their line-up this season. The team will only lose one senior this year, so the future looks very bright. With a lot of hard work, the team took many steps toward their goal of winning the district title.

J.V. Baseball

The 1995 Manchester J.V. Baseball team finished their season with fifteen wins and three losses. The team enjoyed many successes on both the offensive and defensive sides of the game. Freshman Todd Skeens led the team in batting average, while sophomores Damron Shaw, Ryan Mawyer, and Brannon Sease also made major contributions with their hitting. On the pitcher's mound Sean Weaver, Matt Tuck, and Jeff Bentley played a major role in many of the team's victories.

Overall, the Varsity Soccer Team had an excellent 1994-95 season.

J.V. Soccer

The Junior Varsity Boys' Soccer team of 1995 had a great season with a record of 8 wins, 2 losses, and 4 ties. With key offensive players Brian Lewis and Matt Marable, the Lancers ran the ball with control and confidence on the field. The defensive efforts of Todd Grabill, Patrick Creehan, Travis Moss, and Austin Cutter made the offensive's job of scoring goals a little easier. Having their toughest games against Godwin and Midlothian, the Lancers proved they could accomplish anything.

The Ladies placed fifth in the district tournament with an overall record of 5-9.

J.V. Soccer

Team leaders were Senior Kristi Kimpel, with Juniors Natasha Johnson (M.V.P.), Amy Campbell, and Melissa Fallen. All the girls played their hearts out to show that there is a place for them in a male — dominated sport.

J.V. Softball

The younger Ladies on the field entered the 1995 season with confidence and determination. Although the competition was tough, the team as a whole worked together to achieve a record of 13-4. The key runners of the Lancers, 1994-95 Indoor Track season include Starlett Farrier, Ashley Augostini, Charlie Farthan, Drew Lindsey, Tamalle Tucker, Darrly Reid, an David Culpepper. David Culpepper has this to say about why he is involved in track, "The biggest reason is that the competition is overwhelming at a meet. . . the winner is usually the one that is stronger mentally. . . that is why track is so good. It builds you stronger physically but more importantly mentally."

With strong support from an enthusiastic coach, Mr. Sours, the team went to Virginia Tech for a state meet. The girls showed and performed with outstanding effort and everyone had a remarkable time. The season turned out to be challenging at every stop, but the Lancers have the determination not to let anything stop them!

DEBATE AND FORENSICS

The Debate and Forensics 1994-95 school year was one full of accomplishments. They achieved fundamental communication skills that will stay with them for a lifetime. Through what they have learned, this team is able to present and critique different topics in an eloquent and positive manner. This not only builds poise and confidence, but also gives one the necessary skills of analyzing and interpreting literature, as well as increasing the participants' self-esteem. Kelly Neubert, a senior, was selected to be on the Longwood College Forensics team. Micheal Batteau, a freshman, took first place for debate at the meet, which is the largest tournament in the state. Nick Vidonic and Jesse Smith advanced to the Octo-Final at the Villagers Invitational in Philadelphia, which as sponsor Dorazio stated, "is like the sweet 16 of basketball." At the JMU Invitational Danny Pedrotti, Nick Vidonic, and Jesse Smith were in the quarter finals. This trio made up part of the top 10 debaters at the tournament. To this debate team a tournament is something more than an after school activity. They have devoted weekends to tournaments also, that can last longer time schedule. There are times tournaments will be a two day event. This team has come a long way. Do not give up debaters, you have come a long way!!.

ACADEMICS

WHY CAN'T I?

I don't know why, but it certainly seems to anyone that "why" is a commonly asked question. For example: your teacher might come in on any certain day and ask you one simple question, "Why?" Some students, being stronger in specific subjects, might answer this question in specific ways. The person strong in algebra or geometry would look for a way to simplify "why," and see if it could be graphed on a coordinate plane. A person whose speciality is in biology or chemistry would see if "why" has the same genetic make-up as a snail, or find out if it breaks down in acids. Any person fluent in another language would wonder if "why" could be declined or what gender it is. But, maybe the real question isn't "why," but "how come?"

What exactly is it? Quill and Scroll is an honorary association, headed by Mrs. Reibsamen, which acknowledges those students who display excellence in journalism. In the Spring, new members are inducted at a ceremony where parents and fellow students observe. When asked what is the most important inducted, member, Shannon M. Hardison replies, "It looks good on college applications and it is beneficial for a future in writing."

"We make a living by what we get, we make a life by what we give." — Sir Winston Churchill

What does the Manchester Community Service Class spend their time doing? Each nine weeks members are required to do ninety hours of service. This service includes volunteering time and talent at local elementary schools, retirement homes and the VA Hospital. Besides serving the outside community, this service class also benefits the Manchester community by pooling and directing the diverse student body's many talents. In the spring, for example, the class sponsored the SPCA Teacher's Pet Fundraiser, which created enthusiasm and spirit for both teachers and students. These ties of unity were also strengthened by the fall blood drive, where Manchester's faculty and student body came together to give life. Miss Dabney said that the summer camp she and her staff attended "united people of all ages toward a common purpose — to be a leader, to be a friend, to be of service."

CLUBS

What is new at Manchester this year? Not only does Manchester have a new class of entering freshmen but a variety of new clubs as well. Manchester's diverse and growing student body welcomes the arrival of The Conflict Resolution Club, The Computer Club, The Interact Club, The Lancer Steppers Club, and the Umoja Club. These clubs provide a sense of family for Manchester students and contribute money raised from sponsored club fundraisers to help out with class field trips and other expenditures needed by the school.
Along with these other attributes, what elements do these new additions bring to the diverse student body of Manchester High School? These new additions allow students to interact on a less formal level and work together. These clubs also teach students to take responsibility for themselves and their actions. The addition of these clubs brings a new meaning to the Manchester Family.

The 1994-95 Memoir staff spent the year getting the yearbook into tip-top shape and into your hands to cherish. To accomplish this goal, the Memoir had to undergo changes. Journalism 1 and 2 teamed up to create the theme which represented Manchester's diverse student body. Everyone drew a blank and questioned what the theme should be. Little did they know, they had already thought of the theme. The staff drew layouts, cropped pictures, and wrote stories to conceptualize Manchester's questioning nature. Finally, with the theme crystallized, the Memoir staff began to work diligently to make the yearbook what it is, something to remember.

COMMUNITY

On Friday, April 28, 1995, it was time for another look into the line of science work with an official ''Career Day.'' The representatives this year ranged from engineers to dieticians. Most of the presenters on Career Day have been involved for several years. People such as Nancy Thompson, a Registered Nurse, said she had been at Career Day for four years, and called the event ''a good experience.'' Bill Holt, a Safety Engineer, has participated for three years and ''enjoys'' it. A couple of rookies, thrown into the foray were Mechanical Engineer, Wanita Hlavaty and Electrical Engineer, Andy Shulick, who said he was there to ''preach the word on engineering in general.'' All of these generous volunteers managed to tell the future engineers and nurses that if they enjoy science there are different choices they can venture into. There **is** more to the world of science than what Mr. Wizard teaches us.

Amber,

As you prepare to graduate and move on to college, we just wanted you to know you have been an immense source of pride to us. You have brought a lifetime of joy in 17 short years, and yes, a few heartaches along the way.
But the one thing that has and always will remain the same is our love for you.
Good luck at JMU.

In Memory of Mrs. Dara F. Clark

Let's tiptoe on daisy petals
And slide on jeweled rainbows,
Laughing,
Singing,
Shouting with our eyes!
And chase tomorrow with our
yesterdays
And chase yesterday with the
tomorrows of our dreams.

Let's leap from cloud to cloud
And-string-the-moon-and-stars
to wear around our necks.
Let's fly as fast as we can
And run through meadows of
happiness.

And never be caught by reality.

Dee's work is her spirit, and it is the song in her spirit that lives on in all who knew her.

-by Kristin Breslin

As one watches the grace and beauty of a life move quickly to "light" on all that is precious, the net of words can only hold for a moment the spirit which will continue to move freely in our memories.

Her indomitable spirit is part of the legacy she leaves with all of us.

-by Betsy Murray

Mrs. Clark always maintained an optimistic and sincere demeanor in all that she did for the SCA. She was an asset to our school, and she has left a legacy and a precedence for others to follow.

Thanks to the entire staff for all of your cooperation this year. We went through a lot together, and we accomplished creating a spectacular MEMOIR. You will all be remembered for your determination and strong will to succeed.
To our advisors: We appreciate your SUPPORT throughout this entire year. Without the two of you, where would we be....? It was a first for us all, but we can now grow because of what we learned.

Lots of Warm Cappuccino Dreams,
SHAN & HIL

The yearbook staff works on yet another deadline.

COLOPHON

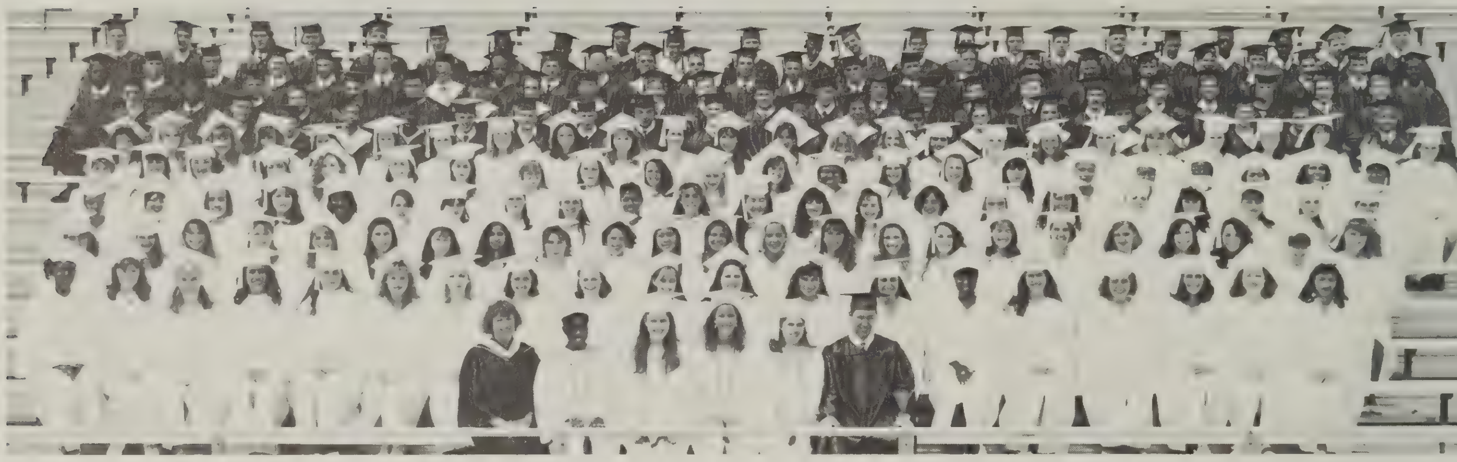
This year's Manchester High School yearbook is volume number 57 of the Memoir. The book was published by Taylor Publishing Company in Dallas, Texas. The 1995 yearbook ran 900 copies.The cover design and idea were submitted by the Memoir staff, and Taylor artist April Enos-Ford drew it to proportion. The cover is white lithocote with three inks applied: periwinkle # 9506h, tangelo # 9503h, and black # 1 . Jefferson script and nouveau were the types used in the Memoir this year. Our photographer is Dave Jennings of Life Touch Studios. Without the constant support of the Memoir Advisors: Anne-Marie Cashmere and Allison Farr; Principal, Pete Koste; and Jan Day, Taylor Publishing Representative, making the Memoir would have been impossible.

QUILL &
SCROLL

Manchester's branch of Quill & Scroll initiated eight yearbook staff and literary magazine members this spring during their annual ceremony.

Jennifer Reece, and her"bud" Tara (scrappy-doo) Mounts, converse on their way to journalism to endure another day working on the yearbook.

What Is Your Personal Pilgrimage?



The Search

I went to find the pot of gold
That's waiting where the rainbow ends
I searched and searched and searched and searched
And searched and searched, and then-
There it was, deep in the grass,
Under an old and twisty bough.
It's mine, it's mine, it's mine at last....
What do I search for now ?
